

## **Auditor's Report to the Members on Review of Interim Financial Information**

### **Introduction**

We have reviewed the accompanying condensed interim balance sheet of Honda Atlas Cars (Pakistan) Limited as at September 30, 2009, and the related condensed interim profit and loss account, condensed interim statement of comprehensive income, condensed interim cash flow statement and condensed interim statement of changes in equity for the half year then ended (here-in-after referred to as the "interim financial information"). Management is responsible for the preparation and presentation of this interim financial information in accordance with approved accounting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on this interim financial information based on our review. The figures of the condensed interim profit and loss account for the quarters ended September 30, 2009 and 2008 have not been reviewed, as we are required to review only the cumulative figures for the half year ended September 30, 2009.

### **Scope of review**

We conducted our review in accordance with international Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity." A review of interim financial and accounting matters, making inquiries, primarily of persons responsible for financial information consists of and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with international Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

### **Conclusion**

Based on our review nothing has come to our attention that causes us to believe that the accompanying interim financial information as of and for the half year ended September 30, 2009 is not prepared, in all material respects, in accordance with approved accounting standards as applicable in Pakistan for interim financial reporting.
